ALL REGIONAL DIRECTORS OF EDUCATION

EXTENSION OF THE SCHOOL SELECTION PERIOD

Management of the Ghana Education Service (GES) wishes to inform all Heads of Junior High Schools (JHS) that the deadline for the school selection process has been extended to **Wednesday, 25th June, 2025**.

This extension has become necessary due to the inclusion of private Senior High Schools (SHSs) in the selection process, allowing candidates additional time to make well-informed choices.

Please, note that all existing guidelines and procedures for the school selection process remain unchanged. Students are strongly encouraged to consult with their teachers, parents, and guardians to make informed and thoughtful decisions regarding their second cycle school education.

Regional Directors are by this letter, kindly to communicate this updated deadline to all Metro/Municipal/District Directors of Education to bring this to the attention of final-year JHS students through their respective Head teachers, and encourage them to take full advantage of the extended period to carefully review and select their preferred schools.

For your reference, a supplementary register of second cycle schools of the newly added private schools has been attached.

Thank you.
